UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

\* \* \*

AZUJHON SIMS,

Plaintiff,

v.

THE NEW YORK STATE, ERIE COUNTY  
DEPARTMENT OF SOCIAL SERVICES,  
*et al.*,

Defendants.

Case No. 3:17-cv-00573-MMD-WGC

ORDER ACCEPTING AND ADOPTING  
REPORT AND RECOMMENDATION  
OF MAGISTRATE JUDGE  
WILLIAM G. COBB

Before the Court is the Report and Recommendation of United States Magistrate Judge William G. Cobb (ECF No. 3) (“R&R” or “Recommendation”) relating to plaintiff’s application to proceed *in forma pauperis* (“IFP application”) (ECF No. 1) and *pro se* complaint (ECF No. 1-1). Judge Cobb recommends denying Plaintiff’s IFP application without prejudice and that this case be dismissed without prejudice. Plaintiff does not object but requests that his action be transferred to the district court in which it could have been brought. (ECF No. 4.)

This Court “may accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate judge.” 28 U.S.C. § 636(b)(1). Where a party timely objects to a magistrate judge’s report and recommendation, then the court is required to “make a *de novo* determination of those portions of the [report and recommendation] to which objection is made.” 28 U.S.C. § 636(b)(1). Where a party fails to object, however, the court is not required to conduct “any review at all . . . of any issue that is not the subject of an objection.” *Thomas v. Arn*, 474 U.S. 140, 149 (1985).

1 Indeed, the Ninth Circuit has recognized that a district court is not required to review a  
2 magistrate judge's report and recommendation where no objections have been filed. See  
3 *United States v. Reyna-Tapia*, 328 F.3d 1114 (9th Cir. 2003) (disregarding the standard  
4 of review employed by the district court when reviewing a report and recommendation to  
5 which no objections were made); see also *Schmidt v. Johnstone*, 263 F. Supp. 2d 1219,  
6 1226 (D. Ariz. 2003) (reading the Ninth Circuit's decision in *Reyna-Tapia* as adopting the  
7 view that district courts are not required to review "any issue that is not the subject of an  
8 objection."). Thus, if there is no objection to a magistrate judge's recommendation, then  
9 the court may accept the recommendation without review. See, e.g., *Johnstone*, 263 F.  
10 Supp. 2d at 1226 (accepting, without review, a magistrate judge's recommendation to  
11 which no objection was filed).

12 The Court agrees with the Magistrate Judge's finding that venue is not proper in  
13 this court. In light of Plaintiff's pro se status and claim of a burden imposed with  
14 dismissal instead of a transfer, the Court finds that the interest of justice warrants a  
15 transfer of this case to the court where the action could have been brought—the United  
16 States District Court for the Western District of New York. See 28 U.S.C. § 1406(a).

17 It is therefore ordered, adjudged and decreed that the Report and  
18 Recommendation of Magistrate Judge William G. Cobb (ECF No. 3) is accepted and  
19 adopted in part.

20 It is further ordered that this action is transferred to the United States District  
21 Court for the Western District of New York.

22 DATED THIS 12<sup>th</sup> day of February 2018.

23
